

## 0250 Judicial Branch

Article VI of the Constitution creates the Supreme Court of California and the Courts of Appeal to exercise the judicial power of the state at the appellate level. Article VI also creates the Judicial Council of California to administer the state's judicial system. Chapter 869, Statutes of 1997, created the California Habeas Corpus Resource Center to represent any person financially unable to employ appellate counsel in capital cases.

Chapter 850, Statutes of 1997, enacted the Lockyer-Isenberg Trial Court Funding Act of 1997 to provide a stable and consistent funding source for the trial courts. Beginning with the 1997-98 fiscal year, consolidation of the costs of operation of the trial courts was implemented at the state level, with the exception of facility, revenue collection, and local judicial benefit costs. This implementation capped the counties' general purpose revenue contributions to trial court costs at a revised 1994-95 level. The county contributions become part of the Trial Court Trust Fund, which supports all trial court operations. Fine and penalty revenue collected by each county is retained or distributed in accordance with statute. Each county makes quarterly payments to the Trial Court Trust Fund equal to the fine and penalty revenue received by the state General Fund in 1994-95, as adjusted by amounts equivalent to specified fine and fee revenues that counties benefited from in 2003-04. Chapter 1082, Statutes of 2002, enacted the Trial Court Facilities Act of 2002, which provided a process for the responsibility for court facilities to be transferred from the counties to the state by July 1, 2007. This Chapter also established several new revenue sources, which went into effect on January 1, 2003. These revenues are deposited into the State Court Facilities Construction Fund for the purpose of funding the construction and maintenance of court facilities throughout the state. As facilities transfer to the state, counties will also contribute revenues for operation and maintenance of court facilities based upon historical expenditures.

The mission of the Judicial Branch is to resolve disputes arising under the law and to interpret and apply the law consistently, impartially, and independently to protect the rights and liberties guaranteed by the Constitutions of California and the United States, in a fair, accessible, effective, and efficient manner.

In order to consolidate operational costs of the Judicial Branch, the Governor's Budget combined the previously separate budgets of Judicial and State Trial Court Funding as the Judicial Branch beginning with the 2005-06 fiscal year.

Since department programs drive the need for infrastructure investment, each department has a related capital outlay program to support this need. For the specifics on the Judicial Branch's Capital Outlay Program see "Infrastructure Overview."

## PROGRAM DESCRIPTIONS (Program Objectives Statement)

## 10 - SUPREME COURT

The Supreme Court is the highest court in the California judicial system. Its decisions are binding on all other California state courts. The Chief Justice of California and the six Associate Justices entertain petitions seeking review of decisions from the Courts of Appeal, original petitions for extraordinary relief (such as writs of mandate or habeas corpus), and recommendations for discipline of judicial officers and attorneys. The Court grants review and issues opinions in order to settle legal questions of statewide importance. In addition, under the California Constitution, all death penalty judgments are appealed directly to the Supreme Court.

## 20 - COURTS OF APPEAL

Established by a constitutional amendment in 1904, the Courts of Appeal are California's intermediate courts of review. The six District Courts of Appeal hear appeals and original proceedings at nine different locations around the state. Cases before the Courts of Appeal involve every area of civil and criminal law.

### 30 - JUDICIAL COUNCIL

The Judicial Council of California is the constitutional policy-making body for the state judiciary. The Council consists of 21 voting members and 6 advisory members; the Chief Justice of California serves as chair. The Administrative Office of the Courts is the administrative arm of the Council. This office provides policy support to the Council, administrative accountability in the operation of the courts as specified by law, and administrative support for courts in areas such as budget, fiscal services, coordination of the assignment of retired judges, technology, education, legal advice and services, human resources, legislative advocacy, and research.

Consistent with the judiciary's mission, the Judicial Council is guided by the following principles:

- To make decisions in the best interests of the public and the court system as a whole.
- To conduct the Council's business based on an underlying commitment to equal and timely justice and public access to an independent forum for the resolution of disputes.
- To provide leadership in the administration of justice by planning and advocating for policies and resources that are necessary for courts to fulfill their mission.
- To ensure the continued development of an accessible, independent court system through planning, research, and evaluation programs, and through the use of modern management approaches and technological developments.
- To provide leadership in the administration of justice by establishing broad and consistent policies for the operation of the courts and appropriate uniform statewide rules and forms.
- To promote a competent, responsive, and ethical judiciary and staff through a comprehensive program of judicial education and training for court employees.
- To contribute to the public's understanding of the judicial process through a continuing program of public education.
- To provide assistance to the courts in developing action plans that are consistent with the Council's Strategic Plan and that address local needs and priorities.

### 35 - JUDICIAL BRANCH FACILITY PROGRAM

The Judicial Branch Facility Program administers the acquisition, planning, construction, operations, and maintenance of judicial branch facilities. This program is responsible for the development of long-term facilities master plans, facility and real estate management, and new courthouse planning, design, and construction.

### 45 - STATE TRIAL COURT FUNDING

#### 45.10 - SUPPORT FOR THE OPERATION OF THE TRIAL COURTS

This program's objective is to provide the resources necessary for the adjudication of civil and criminal cases in the state's countywide trial court systems. This program includes all allowable trial court administrative costs under Chapter 850, Statutes of 1997, except salaries and benefits of Superior Court judges, compensation for assigned judges, and support for language interpreters.

#### 45.25 - COMPENSATION OF SUPERIOR COURT JUDGES

This program provides funding for the salaries and state benefits for Superior Court judges.

#### 45.35 - ASSIGNED JUDGES

This program provides support for the salaries and related costs of retired as well as active judges who are assigned by the Chief Justice to positions in courts which require assistance due to caseload backlogs or other factors impacting the ability of a court to avoid case delay.

#### 45.45 - COURT INTERPRETERS

This program supports the provision of qualified language interpreters in criminal or juvenile proceedings as required by statute.

### 50 - HABEAS CORPUS RESOURCE CENTER

The Habeas Corpus Resource Center provides legal representation for indigent petitioners in death penalty habeas corpus proceedings before the Supreme Court of California and the federal courts. The Center also recruits and trains attorneys to expand the pool of private counsel qualified to accept appointments in death penalty habeas corpus proceedings, serves as a resource to them, and thereby helps to reduce the number of unrepresented indigents on California's death row.
